

## Master Project List

ID	Project Name	Program	Description <small>&lt;=&gt; Combine</small>	Benefits	Execution Status	Start Date
485	Project Hydra	PM Tools	Developing a project management tool that helps people not have to write out sample text	This tool will allow lorem ipsum to magically appear on paper whenever someone needs sample text.	Active	6/16/2015
486	Project Runway	Fashion	These boxes should probably be bigger.	But this is just a manual/analog prototype.	Delivered	9/10/2013
487	The Legend of Project Managing	PM Tools - Hyrule	Defeat Ganondorf and his evil Microsoft Office project management	Princess Zelda will no longer have to stare at Excel files all day.	Backlog	1/28/2014
